Danger—Water Rising.

ONLY MOTOR BOATS
CAN SAVE MAROONED

New Grieans, La., May 5.—Thousands of anticus people in the flood-menaced district, of Louisiana were dishearened today by heavy rating that petted at levere already strained almost to the bursting point by the experiment of Louisians were dishearened today by heavy rating that petted at levere already strained almost to the bursting point by the swollen dishearened for working fought to strongth. The receiver of the risk of the flood dishearened concentration, and the sirile of the sarry trade of the sarry tr

gency camps, continued.
Want More Beats,

Want More Beats,
An urgent appeal for more motor beats to go after people imprisoned in the flood-swept country north of New Stonds reached New Orleans today.

The situation here was unchanged this noon, despite a rise in the river. It is felt that New Orleans is in no danger. The first levee breach reported today occurred on the Atchafallaya river near Elba. This adds to the menace about Melville.

Handreds in Danger.

Water is now rushing over Points

Water is now rushing over Points Coupee parish from two sources, a break in the Mississippi leves alread; having inundated part of the parish Hundreds of persons who have remain-

imminent danger of drowning. The house in which ther had taken shel-

atchelor. Some of the mare drifting bout on hastly constructed rafts. Town After Town Swept.
The crevasse water is spreading at rapid rate. Inundating sections of ointe Counce parish, which never bere have been reached by ovarflows.
Iwn after town is being swept by a middly waters.

When the two relief wagons were out ready to leave Batchelor word

was received that there was grave dan-ver of being cut off by a threatened, washout in the tracks several miles eact of that place. When the first train arrived at the point of trouble water was flowing over the tracks for i distance of five miles. But the train massed over safely. When the second section arrived the

water was rushing over the track about two feet deep. An attempt was made to reach the other side of the washout, but about half way across he track gave way and the caboure nd three cars toppled over thousants of the detailed cars were thrown into the water, but escaped wathout They were transferred to other cars
